

# UC DAVIS MPAC

MASTER OF PROFESSIONAL ACCOUNTANCY

ACCELERATED  
**9-MONTH**  
PROGRAM

“

The fast-paced program proved to be the best and effective way to become CPA-eligible. Having completed my undergraduate studies in India and MBA in Scotland, I can say that the UC Davis MPAC was the best educational experience I have had and I am grateful for the confidence it instilled in me.

## Jump-Start Your Career

Our Master of Professional Accountancy (MPAC) program puts you in the fast lane to success in one of the hottest job sectors. You will benefit from valuable corporate connections and a curriculum with the necessary accounting coursework to prepare you for the CPA Exam.

## Proven Return on Investment

You will work closely with our career development team to prepare for your professional advancement. Through a series of dynamic activities and workshops, you will develop the tools and resources to accelerate your career.

Our program starts during orientation with a Meet the Firms event, a valuable opportunity to network with representatives from diverse accounting firms and companies to gain insight into the best potential match for your professional goals.

## UC Davis MPac Competitive Edge

- **Unique close-knit community:** Benefit from personal attention from faculty and staff, who will challenge and support you in your intellectual growth.
- **Classroom to interviews:** We help you bridge your classroom experience with the global job market through activities, career fairs and workshops.
- **Big data:** Our program integrates data analytics into the rigorous curriculum that prepares you for the CPA Exam.
- **Proven return on investment** and valuable corporate connections.
- **UC Davis experience:** Our world-class research university community offers experiences and opportunities from the arts and theater to sports and campus traditions.

## Application Fast Facts

### GMAT/GRE Waiver

We will waive the GMAT/GRE requirement for applicants with an undergraduate GPA of 3.2+ from a U.S. institution.

### Prerequisites

MPac applicants must complete four prerequisites: Introduction to Financial Accounting, Introduction to Managerial Accounting, Business Law, and Statistics.

**September Start Date**

“

To be a successful accountant, you have to be a dynamic person, a global thinker. Our program is redefining graduate accounting education, and I am enthusiastic about sharing my knowledge and experience with our students, motivating them to learn, understand and ultimately thrive.

**Will Snyder**  
Executive Director, MPac  
Recipient, UC Davis Excellence Graduate and Professional Teaching Award

## Prime Location – College Town Lifestyle

Experience Davis, California, one of the best-educated cities in the U.S. with a high quality-of-life index. You'll enjoy a quintessential college town lifestyle with easy access to the economic engines driving the world's fifth largest economy.

Unlock your potential with UC Davis' prime location on the corridor linking Sacramento, the dynamic state capital, and the global innovation hub of the San Francisco Bay Area and Silicon Valley.

## Invest in Your Future

With the demand for CPAs on the rise, MPac graduates earn a considerable return on their financial investment.

**2023–2024 Tuition and Fees for 9-Month Program  
\$52,800\***

We realize that earning your MPac is a significant investment of time and money. We offer a comprehensive financial aid program that includes scholarships, fellowships and teaching assistantships, and student loans.

All admitted candidates are automatically considered for merit-based awards.

*\*2023–2024 tuition and fees to be set by UC Regents.*
